

GREEN CARDAMOM

QUEEN OF SPICES

India's Exported Cardamom Brand

COMPANY PROFILE

Company Introduction – UniGen Exports

India is known worldwide for its rich agricultural heritage and wide variety of products such as rice, spices, pulses, and coffee. Due to its diverse climate and fertile land, Indian products are valued globally for their quality, aroma, and taste.

UniGen Exports is a merchant export company based in India, engaged in supplying high quality spices and Agro commodities to international buyers, with a special focus on premium Green Cardamom (Elaichi).

As a new and dedicated exporter, our mission is simple to deliver fresh, authentic, and reliable quality products that meet global standards.

We work closely with trusted farmers, suppliers, and processing units to ensure consistent quality, proper cleaning and grading, and hygienic processing and packing, especially for export grade Green Cardamom.

Our product range includes Green Cardamom (our key product), along with Rice and Basmati Rice, Desi Chana (Chickpeas), Pulses, Turmeric, Coffee Beans, and a wide variety of Indian Spices.

We are committed to building long term business relationships by offering competitive pricing, timely delivery, and transparent communication.

As a merchant exporter, we focus on strong sourcing, strict quality control, and smooth export handling for every shipment.

At UniGen Exports, we believe in growing together with our clients through trust, quality, and reliable service.

Quality & Safety – UniGen Exports

At UniGen Exports, quality and safety are our top priorities. We understand the expectations of our valuable buyers and are committed to delivering products that meet international standards.

As a merchant exporter, we work closely with reliable suppliers and processing units that use modern cleaning, grading, and sorting methods to ensure the best quality products.

We carefully monitor every stage of the process, including sourcing, quality checking, packing, and shipment, to maintain consistency and hygiene in all our products.

Our customers are at the center of everything we do. We focus on understanding their requirements and delivering products that meet their expectations in terms of quality, pricing, and timely delivery.

We believe in continuous improvement and regularly upgrade our sourcing and quality practices to stay competitive in the global market.

Our team is dedicated to maintaining high standards in every shipment. We ensure proper coordination and quality checks so that our buyers receive reliable and consistent products every time.

At UniGen Exports, we believe that strong quality control and customer satisfaction are the keys to long term success and trusted business relationships.

Quality begins with honesty, and excellence is built on transparency.

Cardamom Powder

Cardamom powder is made from finely ground green cardamom seeds, offering rich aroma and flavor. It is convenient and time saving, ideal for sweets, desserts, biryani, curries, chai, and beverages.

Cardamom Husk

Cardamom husk is the outer layer of the pod, with mild flavor and natural aroma. It is widely used in tea blends, infusions, and flavoring applications, especially in the tea industry.
